Seeking community support to cover printings costs

The *Fall City Memory Book Project* has been blessed with a grant from **King County 4Culture** which will partially fund the upcoming layout and printing costs for *Preserving the Stories of Fall City*. One of the stipulations of the grant is that we seek community support to help defray these costs, which will amount to approximately \$2000 beyond grant funding.

We would like to invite local businesses and individuals to contribute to this important project. If you would like to help, use the form below, and mail it with your check to P.O. Box 293, Fall City 98024.

All contributors of \$50 or more will be acknowledged in the published volume.

Thank you for your consideration.
